Higher Secondary	Gujarat Board	84.76%

WORK EXPERIENCE

Buniyadbyte, I-Hub Gujarat

Video Editor January 2025 – Present

PROJECTS

Social Media Reels / Short-Form Content: Created 30+ high-impact short videos (15–30 seconds) for a lifestyle and fashion brand’s Instagram campaigns. Focused on trendy transitions, sync with music beats, and quick visual storytelling. Optimized videos for vertical formats and platform-specific algorithms, helping increase engagement rate by 60%.

Corporate / Promotional Video: Produced and edited a professional brand introduction video for a startup. Combined interview footage, B-roll, and motion graphics to communicate brand values clearly. Applied color correction and audio mastering for a polished finish. Delivered multiple versions optimized for website, LinkedIn, and internal presentations

Music Video Editing: Edited a dynamic hip-hop music video with multi-angle footage. Synchronized cuts with beats and lyrics, enhanced visuals with slow-motion and glitch effects. Focused on mood consistency, lighting correction, and audio syncing for professional-grade output.

Freelance Compilation Work: Edited diverse content for clients, including vlogs, gaming highlights, and podcast visuals. Customized editing styles based on client preferences and audience. Delivered videos optimized for YouTube and TikTok, maintaining brand consistency and fast turnaround times.
